## Student Loan IDR Plan Provisions

Eligibility to Enroll in IDR Plan During Bankruptcy. The Debtor shall not be disqualified due to this bankruptcy filing or the pending bankruptcy case from participation in any income-driven repayment ("IDR") plan for student loan debt or any nonbankruptcy option for getting out of default, for which Debtor would otherwise be qualified. The Debtor shall request a plan modification upon any enrollment in an IDR plan. In the absence of a plan modification, the plan provides for the Debtor's student loan debt under the applicable provisions of Part 5 or as otherwise stated in any nonstandard provisions in Part 9.

Dischargeability of Student Loan Debt. This plan does not provide for the discharge of any portion of the Debtor's federal student loan debt(s) under title 11, but it does not preclude a determination of dischargeability in an adversary proceeding.

Waiver of Automatic Stay. The Debtor expressly waives the application of the automatic stay under § 362(a) as to all communications concerning enrollment or participation in an IDR plan and as to all loan servicing and administrative actions concerning an IDR plan to the extent necessary to effectuate this Chapter 13 plan.

Opportunity for claimholder to cure. Before instituting any action against a federal student loan claimholder under 11 U.S.C. § 362 or for failure to comply with this plan, the Debtor first shall give notice in writing by letter describing any alleged action that is contrary to the plan or 11 U.S.C. § 362(a) and provide a reasonable opportunity to review and, if appropriate, correct such actions. Any notice given under this provision must include the Debtors' name(s), bankruptcy case number, and identification of the Federal Student Loans, and must be mailed to:
